Exodus 7-12

Join us for this week's Lesson with Miss Nicole [HERE](#).

Memory Verse for June

"God is our protection and our strength. He always helps in times of trouble." Psalm 46:1

Prepare to Teach

In today's story, God sent Moses back to Pharaoh to ask for permission to let the Israelites go into the desert to worship God. Pharaoh knew that to let the Israelites go meant he would be letting go of the slave labor. He didn't want this to happen. The Bible says, "But I will harden Pharaoh's heart, and through I multiply my signs and wonders in the land of Egypt, Pharaoh will not listen to you." This was all part of God's big plan to show His mighty power to the Egyptians and the Israelites. Although this is a lengthy passage, if you haven't read it recently, take time to read Exodus 7-12 and observe God's power!

Please print off the two faces of Moses and Pharaoh for the children to use during their story time with Miss Nicole.

Glue these faces to a straw, a popsicle stick or a stick from your yard.

Read

Today's story is found in the Beginner's Bible from Exodus 7-10. Read this story on pages 104-110.

Questions to Ask

God had a special plan for Moses, but first he had to listen!

Ask these questions:

- What did God tell Moses to do at the burning bush? Do you remember?
- What did Moses tell Pharaoh each time?
- What did Pharaoh answer Moses?
- Which of the ten plagues can you name?
- Whose power was shown in every plague?
- What happened after the last plague? What did God tell His people to do?
- Finally what did Pharaoh finally say? GO!

Pray About What You Have Learned

God, thank you for showing your power to the Israelites, Egyptians and us. Thank you for your big plan that we can see in this week's story. Help my little one to recognize your presence in their everyday life. Help me recognize opportunities this week to point out the ways that You are working! In Your name I pray, Amen
